Subject: Vintage Motorcycle run.
Attachments: Appendix-22-Levis PR Letter -2.doc

For the attention of:

Wendy Richards [Abdon & Heath PC] ; Mrs E Reynolds [Aston Botterell PC] ; Mrs C Knight [Abberley PC] ; Mrs S Jones [Bitterley PC] ; Mr C E Williams [Caynham PC] ; Mr D Bromley [Farlow & Oretton PC & Wheathill PC] ; Mrs W Richards [Stoke St Mibro' PC] ; Mrs D McBride [Neen Savage PC] ; Mrs H Coonick [Stanton Lacy PC] ; Mrs J deRusett [Diddlebury PC]

Good evening.

My name is Martyn Round and I am a member of the Vintage Motorcycle Club.

On the morning of September 26th 2021 a number of vintage motorcycles will be participating in a timed road run from Shrawley nr Worcester to Ludlow in which the riders attempt to undertake the journey at either 20mph or 24mph average speeds. Departure from Shrawley will be at one-minute intervals to avoid congestion on the road and the time taken for the riders to pass any one particular point is expected to be about 50 minutes.

I have visited a few dwellings that may be particularly affected by our passing and especially those on the narrow hills of Abberley, Farlow Bank. I have also attempted to visit those stable that are on the route and that I can see from over the hedge but I am well aware that not all riders stable their horses at commercial facilities.

Can I please ask for your help in forwarding this e-mail and attachment to members of the parish who are riders or who may have contact with same so as to alert them to our presence in the area on that Sunday. My request is prompted by a conversation with a small group of riders near Tugford/Peton yesterday (Sunday) who suggested I e-mail their local contact at Bouldon.

If possible. I should like those communities between Neen Savage – Nethercott – Detton and those between Loughton – Aston Botterell – The Bold to be made aware of our presence and the stables near Bromdon – Wheathill. (I was told by a passing rider that there are stables but as they are hidden from view I would not easily find them – and as yet I haven't).

Finally, may I apologise for the short notice – partly my fault for not acting sooner and partly due to the delay in receiving event authorisation as a stipulation is that I am asked not to undertake P.R. work until authorisation is received. This was late coming.

Thank you.

Yours sincerely,

Martyn Round.
